Nutrition

In our homes we have Chefs who pride themselves on catering for a variety of specialised diets.

Our Manager and chefs work to provide a well-balanced nutritional diet for all our residents. As well as running the kitchen, our chefs find time to introduce themselves to the residents to obtain information regarding their likes, dislikes and any special diets they may require.

They also liaise with the care staff and adapt menus to suit all individual needs.

We also encourage family and friends to partake in mealtimes with their loved ones to feel at home here.
